Free First Aid for all

Responding to Anaphylactic Reactions

LEVEL 3 : 5 HOURS TRAINING COURSE

This qualification is aimed those working with individuals at significant risk of having an anaphylactic reaction, this includes children. The qualification has been mapped to current Resuscitation Council (UK) guidelines.

RQF Level 3 Award

Qualification title: QNUK Level 3 Award in Responding to Anaphylactic Reactions (RQF)

This qualification is for those that require additional training in basic life support and management of anaphylaxis. Many attendees are those working in environments that support children that may be at risk of severe allergic reactions, for example those working in nurseries and other early years settings.

The qualification has also been designed as the perfect add-on to standard first aid courses such as the QNUK Level 3 Award in Paediatric First aid (RQF). Where this qualification is combined with another first aid course, the guided learning hours can be reduced, due to the range of similar subjects.

Duration

Total qualification Time (TQT) is 5 hours, with at least 3 Guided Learning Hours (GLH) in the classroom over a minimum of 5 hours plus independent pre and post course study.

Course Content

- The learner will be able to assess an incident
- The learner will be able to provide first aid to an unresponsive casualty that is not breathing normally
- The learner will be able to provide first aid to an unresponsive casualty that is breathing normally
- The learner will be able to recognise and manage a casualty suffering with a severe allergic reaction
- Supporting an Individual with an Anaphylactic Reaction

Numbers

A maximum of 12 students are allowed and must be a minimum of 16 years of age.

Assessment

The qualification assessment includes a written and practical assessment. You must successfully complete both assessments to achieve the qualification.

Certification

The qualification is valid for one year from the date of achievement. It is recommended that you attend annual refresher training. You will need to complete the full course again to re-qualify for a further one year.
